

NEW: COCOA SMILES WHOLEGRAIN

NEW:

COCOA SMILES

Wholegrain

Turtle Cocoa Smiles is inspired from the chocolate shells from our childhood.

It's clean and simple ingredients are wholegrain flour from oats and rye, cane sugar, cocoa and sea salt. All organic, of course.

The taste is cocoa, toasted cereal and not too sweet. They have a nice crunch and they turn the milk into cacao. It's a healthy and wholesome product.
