Made
in France

100% from FRUIT

Made in France using our traditional French recipe, we gently cook and sweeten only with vineyard-ripened grape juice to preserve the fruit's natural flavor.

100% from FRUIT

St. Dalfour is handcrafted, pairing a family recipe with quintessentially French methods and the highest quality, all-natural ingredients.

Our artisanal recipe was created after the turn of the 19th century. We craft our fruit spreads south of Bordeaux, amid the renowned terroir dubbed "the Garden of France". We use only 100% fruit with vineyard-ripened grape 'must' as a natural sweetener. The result is an award-winning, better-for-you fruit spread of unrivaled quality, rich in flavor with just the right amount of natural sweetness.
