

nøgg

No Egg.
But Plants.

Simply. Without egg.

 **ALREADY COOKED**
and deliciously seasoned

noegg.com

Simply. Failproof.

Satisfy the current nutrition trend creatively and with variety: Our already cooked, deep-frozen nøgg Scrambled Eggs are plant-based. They consist of high-quality chickpea protein and other finest-quality ingredients. With fine seasoning, our scrambled eggs do not only look great; they also taste delicious and can be refined with fresh herbs and crispy vegetables. The preparation is very simple and absolutely failproof: The desired quantities can be portioned as needed, and heated in the combi steamer or in the microwave in next to no time.

Your advantages at a glance

- ✓ plant-based (vegan) – high-quality chickpea protein
- ✓ deliciously seasoned
- ✓ great taste, thanks to the finest ingredients
- ✓ already cooked, frozen and easy to portion
- ✓ absolutely failproof – perfect for many creative, plant-based dishes
- ✓ appetising colour and appealing texture
- ✓ convincingly fresh – also when standing longer

Preparation

(The regeneration time always depends on the type of appliance used, its output and the product's temperature.)

In the combi-steamer: 2kg at 110 °C/60% steam for approx. 8 minutes

In the microwave: 100g at 600 watt for approx. 2:30 minutes

Note: These instructions apply nøgg Scrambled Eggs portions, that have been taken from the freezer immediately before preparation, at a temperature of -18 °C.

Tip: Discover the application variety for our plant-based products in our recipe collection at noegg.com
