Purity preserves *provenance.*

The very best cattle are raised on the fertile soils in and around the Taranaki region, grass-fed on emerald pastures and roaming free year round.

Purity preserves *quality.*

We are proud to be working with farmers that breed and finish some of New Zealand's purest Black Angus cattle, providing us with the opportunity to create the purest quality beef possible.

Purity preserves *taste.*

The incredible care and craftsmanship that goes into Stony River Black Angus ultimately shines through in its taste, striking the perfect balance between marbling and flavour.
