BELGIUM'S
FINEST!

Proud of Tomatoes

Together with its passionate team of staff, Stoffels Tomaten grows, packs and sells all varieties of tomatoes, all of which are of impeccable quality and produced according to environmentally friendly processes, in response to the current trend towards healthy and convenient food.

In our innovative approach to tomato cultivation, we have adopted a unique growing method where flavour is the driving force.

Sustainability is always “a work in progress” and as a producer we like to take responsibility for bringing an ecologically sound total product to the consumer.

We innovate to serve your needs and provide customized solutions.

We aim for 100% flavour, 100% natural, 100% Stoffels!

100% smaak, 100% natuurlijk,
