## FUN!CTIONAL

No-low alcohol drinks are a booming trend in the global drinks industry. Consuming (too much) alcohol, soft drinks or energy drinks is bad for your body. That's why we keep the fun alive with our 3 trendsetting no-low soda cuvées. The well balanced **Gaba-Guarana** ratio supports functional health in a delicious & urban way.

**Less booze, that's the spirit!**

**We are no copycats.  
We are innovators.  
True food lovers.  
Taste hunters.**
